Announcements

Pastor Dan Freedman

Now, Dear Lord, as we pray,
Take our hearts and minds far away
From the press of the world all around
To Your throne where grace does abound.
May our lives be transformed by Your love,
May our souls be refreshed from above.
At this moment, let people everywhere
Join us now as we come to You in prayer.

To Reflect His Character Clearly

Satan invents unnumbered schemes to occupy our minds, that they may not dwell upon the very work with which we ought to be best acquainted. The archdeceiver hates the great truths that bring to view an atoning sacrifice and an all-powerful mediator. He knows that with him everything depends on his diverting minds from Jesus and His truth. Great Controversy, page 488
