Now, Dear Lord, as we pray,
Take our hearts and minds far away
From the press of the world all around
To Your throne where grace does abound.
May our lives be transformed by Your love,
May our souls be refreshed from above.
At this moment, let people everywhere
Join us now as we come to You in prayer.

To Reflect His Character Clearly

There are many flippant talkers of Bible truth, whose souls are as barren of the Spirit of God as were the hills of Gilboa of dew and rain. But what we need is men who are thoroughly converted themselves and can teach others how to give their hearts to God. The power of godliness has almost ceased to be in our churches. And why is this? The Lord is still waiting to be gracious; He has not closed the windows of heaven. We have separated ourselves from Him. We need to fix the eye of faith upon the cross and believe that Jesus is our strength, our salvation.
