Welcome & Announcements: Pastor Freedman

Now, Dear Lord, as we pray,
Take our hearts and minds far away
From the press of the world all around
To Your throne where grace does abound.
May our lives be transformed by Your love,
May our souls be refreshed from above.
At this moment, let people everywhere
Join us now as we come to You in prayer.

To Reflect His Character Clearly

“The agencies which will unite against truth and righteousness in this contest are now actively at work. God's holy word, which has been handed down to us at such a cost of suffering and blood, is but little valued. The Bible is within the reach of all, but there are few who really accept it as the guide of life. Infidelity prevails to an alarming extent, not in the world merely, but in the church. Many have come to deny doctrines which are the very pillars of the Christian faith. The great facts of creation as presented by the inspired writers, the fall of man, the atonement, and the perpetuity of the law of God, are practically rejected, either wholly or in part, by a large share of the professedly Christian world.”

Great Controversy, pp 582, 583
